THE ORACLE
NAPA VALLEY RED

"It's a cool savory red with fine tannin ripeness. While oak is a formidable part of the structure, the fruit tannin is what gives a lasting impression, with a complexity that includes ferrous elements and a mushroom-like fruitiness. This has the concentration and stature to benefit from ten years in the cellar."

THE ORACLE
NAPA VALLEY RED

"A wonderful wine, delicious and satisfying, and another great example of the '07 vintage in Napa. It's full-bodied, dry and richly tannic. The flavors are enormously complex, suggesting blackberries, cassis, olive tapenade and cedar, with a long, sweet finish."

2008 CABERNET SAUVIGNON STAGECOACH VINEYARD

"If somewhat smoky and briary in scent, this wine is at first a bit dry and reluctant as far as fruit is concerned. Once in the mouth, it surprises with deeper and better endowed flavors than promised, and its combination of ample extract and balanced structural tannins puts it squarely on the varietal track."

PINOT NOIR
ROSELLA'S VINEYARD

"...intense and concentrated, marked by dried cherry, raspberry, mineral and dusty cedar notes. Ends with an aftertaste of cherry and raspberry. Drink now through 2017."
