H I S T O R Y

Founded in 1998 by Dave Miner along with his wife Emily and his parents, Ed and Norma, Miner Family Vineyards produces small lot, handcrafted wines using fruit from Oakville Ranch and other carefully selected California vineyards. We produce limited quantities of Cabernet Sauvignon, Merlot, Syrah, Zinfandel, Sangiovese, Pinot Noir, Chardonnay, Viognier and Sauvignon Blanc using a combination of old world winemaking techniques and modern technology. The focus of our label is to produce high end, reserve style wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varieties grow best.
