

2004 PINOT NOIR, ROSELLA'S VINEYARD SANTA LUCIA HIGHLANDS

Located only a short distance from the great Garys' Vineyard, Rosella's Vineyard yields fruit of the same high caliber. Rosella's deliciously dark fruit characteristics and just as nice spice and acidity find balance and harmony on the palate.

Founded in 1998 by Dave Miner, along with his wife Emily and his parents, Ed and Norma, Miner Family Vineyards produces small lot, handcrafted wines using fruit from Oakville Ranch, Ed and Norma's vineyard and other carefully selected California vineyards. We produce limited quantities of Cabernet Sauvignon, Merlot, Syrah, Zinfandel, Sangiovese, Pinot Noir, Chardonnay, Viognier and Sauvignon Blanc using a combination of old world winemaking techniques and modern technology. The focus of our label is to produce high-end, reserve style wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varietals grow best.
