

VIOGNIER

SIMPSON VINEYARD 2005

With plush peach flavors on the nose, this Viognier is clean and racy and finishes with a refreshing tang. Sourced from John Simpson's low-yielding vineyards in Madera, our Viognier consistently displays substantial flavor and concentration. Whole cluster pressed and stainless steel fermented, this wine is the perfect companion to a myriad of meals.

H I S T O R Y

Founded in 1998 by Dave Miner, along with his wife Emily and his parents, Ed and Norma, Miner Family Vineyards produces small lot, handcrafted wines using fruit from Oakville Ranch, Ed and Norma's vineyard and other carefully selected California vineyards. We produce limited quantities of Cabernet Sauvignon, Merlot, Syrah, Zinfandel, Sangiovese, Pinot Noir, Chardonnay, Viognier and Sauvignon Blanc using a combination of old world winemaking techniques and modern technology. The focus of our label is to produce high end, reserve style wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varietals grow best.
