

2007 PINOT NOIR, GARYS' VINEYARD SANTA LUCIA HIGHLANDS

Named after partners Gary Franscioni and Gary Pisoni, this 50 acre vineyard was planted in 1995 along the terraces of the Santa Lucia mountain range, overlooking the Salinas River Valley. Velvet smooth on the palate with rich, medium tannins, this Pinot offers flavors of ripe red fruit, subtle oak, nutmeg-clove-like spice. Winemaker Gary Brookman expects this bottling to drink beautifully over the next 7-10 years.

Miner Family Vineyards is a dynamic, family-owned winery tucked along the eastern hills of the Oakville appellation in the heart of Napa Valley. Founded in 1998 by Dave and Emily Miner along with his parents, Ed and Norma, Miner makes reserve style wines using fruit from Napa Valley and other specially selected California vineyards. Winemaker Gary Brookman uses a combination of old world winemaking techniques and modern technology to make wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varieties grow best. The fusion of superb vineyard sites and thoughtful winemaking helps Miner create elegant, expressive wines.
