

2011 TEMPRANILLO SIERRA FOOTHILLS

With fresh acidity backing bold flavors of ripe plum and cherry-spice, our small production bottling of Sierra Foothills Tempranillo finishes with a healthy dose of tannins. This approachable red was barrel fermented and aged in neutral French Oak for six months before going to bottle. Made primarily for our wine club member, this wine is designed to drink now through 2012.

H I S T O R Y

Miner is a dynamic, family-owned winery tucked along the eastern hills of the Oakville appellation in the heart of Napa Valley. Founded in 1998 by Dave and Emily Miner along with his parents, Ed and Norma, Miner makes reserve style wines using fruit from Napa Valley and other specially selected California vineyards. Winemaker Gary Brookman uses a combination of old world winemaking techniques and modern technology to make wines that reflect the unique characteristics of individual vineyards or “terroir” where specific varietals grow best. The fusion of superb vineyard sites and thoughtful winemaking helps Miner create elegant, expressive wines.
