

## 2004 PINOT NOIR, GARYS' VINEYARD SANTA LUCIA HIGHLANDS

Deep and rich in color with complex layers of red berries, exotic spices and smoky undertones, our Garys' Pinot Noir was aged 14 months in French oak barrels. Fleshy and delicious from the start with a soft velvety texture and a long, bright finish. Sourced from the famed vineyard owned by Gary Franscioni and Gary Pisoni in the Santa Lucia Highlands, this impeccably managed vineyard produces beautiful fruit with intense flavor.

Founded in 1998 by Dave Miner, along with his wife Emily and his parents, Ed and Norma, Miner Family Vineyards produces small lot, handcrafted wines using fruit from Oakville Ranch, Ed and Norma's vineyard and other carefully selected California vineyards. We produce limited quantities of Cabernet Sauvignon, Merlot, Syrah, Zinfandel, Sangiovese, Pinot Noir, Chardonnay, Viognier and Sauvignon Blanc using a combination of old world winemaking techniques and modern technology. The focus of our label is to produce high-end, reserve style wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varietals grow best.
