## *Cheers to Spring!*

*We are so excited to share the following wines with you.*

### **2020 Sauvignon Blanc, Napa Valley**

This stainless steel-fermented white wine is a staff favorite. It's crisp and bright with balanced acidity and displays hints of honeydew melon and tropical fruit. Winemaker Gary Brookman calls it "Zippy and juicy. Like springtime in a glass."

### **2020 Rosato, Mendocino**

This light and fresh rosé of Sangiovese is much loved by staff and guests. With an aroma of garden roses on the nose, and hints of watermelon candy on the palate, this wine pairs perfectly with sunshine and warm weather.

### **2018 The Iliad, Napa Valley**

The Iliad is our white Rhone-style blend of Marsanne, Roussanne and Viognier. Abbie Conner, our Tasting Room Manager, notes inflections of coconut, honeydew, vanilla and baking spice.

### **2019 Chardonnay, Napa Valley**

Our Napa Valley Chardonnay is fun and approachable. This wine is fermented in a mix of stainless steel, neutral French oak and new French oak, providing a nice balance of crisp acidity with a rich mouthfeel.

### **2018 Chardonnay, Wild Yeast**

Our Wild Yeast Chardonnay is another very popular wine, and the 2019 delivers consistent notes of bright green apple on the front of the palate with a creamy and buttery finish. Our Wild Yeast Chardonnay is more rich and more complex than our Napa Valley Chardonnay.

### **2018 Pinot Noir, Rosella's '777' Vineyard**

A rare single clone, our Rosella's '777' Vineyard Pinot Noir is floral and elegant. Michelle Shafir, our assistant winemaker, loves the delicate, velvety texture. She says, "It's very ageable. It'll be even better in a few years."

### **2018 Sangiovese, Mendocino**

Ultra-approachable Sangiovese is beloved by the Miner team for its fruit-forward flavors and well-rounded palate. Wine educator, John Hicklin recommends, "Put it in a cooler and take it to the beach."

### **2018 Syrah, Napa Valley**

Our 2018 Syrah is smoky and spicy. Assistant Winemaker Michelle Shafir describes it as "Delicious. It's meaty with a hint of bacon and orange zest."

### **2018 Cabernet Franc, Napa Valley**

Our 2018 Cabernet Franc is full-bodied, earthy and herbal. It ages well and pairs perfectly with rich, red meat. Winemaker Gary Brookman says, "the 2018 is ready to drink but will benefit from aging for 2 – 3 years."

### **2018 Benedetto Cabernet Sauvignon**

This stunning Cabernet Sauvignon is full of ripe red fruit characteristics. The Benedetto ages in barrel five to six months longer than the other Cabernet Sauvignons that we make at Miner, so it tends to have more oak and tannin.

*Enjoy!*
