WILD YEAST CHARDONNAY

NAPA VALLEY

MINER
FAMILY WINERY

Full-bodied and lush, yet never heavy, our Wild Yeast Chardonnay shows off flavors of ripe pear and melon with butterscotch and hazelnut notes balanced by oak spice and bright acidity. This is a wildly expressive wine that will reward a few years of patient cellaring. The grapes are fermented using only indigenous or “wild” yeast cultures found on the skins of the grapes themselves, in the vineyards and within the walls of our winery.

HISTORY

Miner is a dynamic family-owned winery tucked along the eastern hills of the Oakville appellation in the heart of Napa Valley. Founded in 1998 by Dave and Emily Miner, Miner Family Winery crafts reserve-style wines by sourcing fruit from Napa Valley and other specially selected California vineyards.

Our winemaking team uses a combination of old world winemaking techniques and modern technology to make wines that reflect the unique characteristics of individual vineyards or “terroir” where specific varietals grow best. This fusion of superb vineyard sites and thoughtful winemaking allows Miner to deliver elegant, expressive wines.
