SANGIOVESE
MENDOCINO

MINER
FAMILY WINERY

The Gibson family's organically farmed ranch has been Miner's prime source for Sangiovese since 1997. Cooler growing conditions near the Mendocino coast allow grapes to ripen at an even pace for balanced fruit and acid structure.

This Sangiovese is readily approachable with bright plum-currant flavors and hints of cedar on the palate.

HISTORY

Miner is a dynamic family-owned winery tucked along the eastern hills of the Oakville appellation in the heart of Napa Valley. Founded in 1998 by Dave and Emily Miner, Miner Family Winery crafts reserve-style wines by sourcing fruit from Napa Valley and other specially selected California vineyards.

Our winemaking team uses a combination of old world winemaking techniques and modern technology to make wines that reflect the unique characteristics of individual vineyards or "terroir" where specific varietals grow best. This fusion of superb vineyard sites and thoughtful winemaking allows Miner to deliver elegant, expressive wines.
